

SENATE JOURNAL

EIGHTY-FIFTH LEGISLATURE — REGULAR SESSION

AUSTIN, TEXAS

PROCEEDINGS

FIFTY-SECOND DAY

(Monday, May 8, 2017)

The Senate met at 11:00 a.m. pursuant to adjournment and was called to order by Senator Huffman.

The roll was called and the following Senators were present: Bettencourt, Birdwell, Buckingham, Burton, Campbell, Creighton, Estes, Garcia, Hall, Hancock, Hinojosa, Huffines, Huffman, Hughes, Kolkhorst, Lucio, Menéndez, Miles, Nelson, Nichols, Perry, Rodríguez, Schwertner, Seliger, Taylor of Galveston, Taylor of Collin, Uresti, Watson, West, Whitmire, Zaffirini.

The Presiding Officer announced that a quorum of the Senate was present.

Pastor Robert Posner, Collin Creek Church, Wylie, was introduced by Senator Taylor of Collin and offered the invocation as follows:

Heavenly Father, for as high as the heavens are above the Earth, so great is Your faithful love toward those who fear You. As far as the East is from the West, so far have You removed our transgressions from us. As a father has compassion on his children, so You, Lord, have compassion on those who fear You. For You know what we are made of, remember that we are dust. (Psalms 103:11-14) Because You are who You are as God and we are who we are as humans, I pray that each of these leaders would humble themselves before You and acknowledge they need You, Your wisdom, and guidance. Thank You, Father, for these leaders, their sacrifices and service to the people of Texas. May You bless them and their families. Father, You have given each of us life, liberty, and love. So, I pray, please help these leaders to use these gifts to honor You, to help others, and to create a better state, nation, and world. There are big issues that divide us at times. Father, please help us to see the bigger issues that unite us for the good of all. I pray for all these leaders, in Jesus' name. Amen.

Senator Whitmire moved that the reading of the Journal of the proceedings of the previous day be dispensed with and the Journal be approved as printed.

The motion prevailed without objection.

STATEMENT OF LEGISLATIVE INTENT

Senator Garcia submitted the following statement of legislative intent for **CSSB 195**:

There are neighborhoods in Texas in which children are subjected to violence as they walk to and from school. Some children have been assaulted, robbed, and even killed. This fact should not be a reality for our children. No child should be scared to walk to and from school because of the dangers he or she may face.

I recognize that some schools do not have the resources to provide bus services for every single child that walks through such conditions.

S.B. 195 addresses this issue and extends the current statute that allows districts or counties to apply for up to an additional ten percent of its regular transportation allotment used to transport children through hazardous areas to include areas of high risk of violence.

I have found that some neighborhoods have resorted to use safe passage programs or walking school buses in cases where the school may not be able to provide additional bus transportation. Therefore, the intention of the bill is to also allow the district or county that qualifies for the ten percent the flexibility to fund walking transportation such as safe passage programs. It is not required or incentivized for schools to fund safe passage programs, but simply adds the option as a transportation service, in addition to the traditional vehicular transportation options, for districts and counties that receive the ten percent.

Every neighborhood is unique in the manner in which children may get to and from school based on many contributing factors. Safe passage programs work for some neighborhoods and may not for others, but it is a transportation service that is worth considering, if needed, based on the district or county's need.

This bill ensures that funds remain used for transportation services. In fact, the safe passage programs that receive any funds out of the ten percent given to qualified districts or counties will be required to submit financial reports to account for the use of the transportation funds.

This bill seeks to keep children that walk through violent areas to get to and from school safe.
